

Have you ever wanted to be a part of a team? If not thats okay haha but here is your chance! Bear Country Race Team is speeding forward and running the D25 Rocky Mountain Motocross series! Dustin Beauvais and Landen Beauvais will be racing to win and have a good time! We are ramping up for sponsorship to cover many costs that are associated with motocross parts,travel, gear, ect. The benefits of teaming up are simply this... You help a families dreams come true, your business name and logo will be in the face of hundreds on a given weekend, we have a brand new toy hauler and a smaller race trailer that will always be moving bill boards, Bear Country Racing LLC is actively interested in spreading the word about your company! We are planning on keeping your cards at the track and passing them out as much as possible, we will always be running photos of us riding on our fb page with your logo and business name on the photo! Team up with us and you will be donating to a great sport and be marketing your business name in the face of your customers! Come hang out with us at the races bring your family and enjoy an awesome day of racing!

About us

My name is Dustin Beauvais, I am a husband, a dad of 5 beautiful children, a friend, a business owner and I love many things but most of all my wife and children. I have owned Bear Country Welding for 6 years and love leading a team to reach success! I am also the Owner of Bear Country Service which is our hot shot trucking business, and Bear Country Racing! JD & T Properties serves as our real-estate division and I also own that as well. Lets just say I love being an entrepreneur! I love what I do. I have raced motocross since I was a young kiddo, it has always been a consistent in my life where as many other things where not consistent. My parents where divorced, we didn't have a lot of money, but I always had a drive to go above and beyond in life. I knew I was loved and I knew with God all things where possible! My dad lived by a motocross track and thats where I began. I practiced almost everyday while I worked at the track. I raced a lot and got better and better. In 2005 I won a state championship in Colorado, it was awesome! I went through a divorce when I was younger, I was married, had 2 kids at 21 and divorced at 22, their mom chose a different life to live other then family life, I'm kinda glad though because I met the women of my dreams who I was meant to be with from the start! I

have been married for six years, I had 2 kids and full custody of them when my wife Tina and I met. She had one child Noel who has muscular dystrophy and is the sweetest girl ever. So we started with 3 and had 2 together. I became Noels dad when she was 2 she is now 9. Being the dad of a special needs daughter has taught me and my family so many amazing things. A little about our children: Lillian is 11 she loves basketball and is very determined, Landen is 9 and loves dirtbiking and is racing for the first time this year! He would give his shirt off his back for anyone, Noel is 9 she is so happy no matter what! She lives on a ventilator, a feeding tube, and is in a wheel chair and wouldn't change it for nothin, she amazes me, Macie is 2, she is sweet and is an absolute go getter, she says funny things and makes us laugh regularly, Beau is 8 months old, he smiles a lot, poops a lot, and is an amazing kiddo. We have a great summer planned! I am very grateful for my beautiful family and I love that motocross is something we all enjoy and can be a part of. My wife is the most successful person I know! She is an amazing wife, mother, friend, leader and is the head girls basketball coach for Dayspring Christian Academy. She most definently is my dream girl! We face challenges just like anyone else but we are over-comers and choose victory everyday! I dreamed of these moments when I was young and I am so happy to be living in them now! Thank you for considering teaming up with us through sponsorship, I love business and I love helping others to achieve their goals!
